Serving One Another in Love

Walkathon Coming May 7!

Get ready for another fun-filled, athletic event on the LACS Campus Saturday, May 7, from 9 a.m. until 2 p.m. The students will be counting laps and earning contributions for the LACS Art Department as well as scholarships for LACS families.

NEW this year will be a crazy hair booth and a tricycle race for the Dad's! And returning with rave reviews is the VIP tent sponsored by church staff for those who complete laps 35, 55, and 85 with comfy chairs where they will be served fruit, popcorn and lemonade. Don't forget the raffles throughout the day (Sharks and Raiders tickets!), cakewalks, and free t-shirts for all student participants. Double punches on the hour every hour too!

As in past years, we will focus on the completion of laps while also having fun! Parents are strongly encouraged to attend and walk with their kids, as there will be a prize for the family with the most laps. There will also be a party for the grade that has the greatest percent of its class participate.

We're on the Web!

www.LACS.com

There will be lots of good food and fun booths available as well! Expect our budding artists to be working on drawings for this year's Poster Contest. All Preschool -5th Graders will get a poster board Thursday to complete prior to Thursday, May 5th submission deadline. Art Teacher Cindi Snedaker will lead the judging panel that will select a winner from each grade.

While we realize that many of our students may have scheduling conflicts on Saturdays, please feel free to come for part of the time. We measure success of this event by having the greatest number of our community enthusiastically participate, so come on out and join the party!

Guidelines for Student Participants

The Walkathon process encourages sponsors to reward our student's participation while providing financial support for the PTF. We hope that sponsors will include family members and close friends who understand the value of the school to our students and wish to support that understanding with tax deductible donations. We do not expect, nor encourage, the students to go door-to-door soliciting sponsorship or donations.
