We're on the Web!

[www.LACS.com](http://www.LACS.com)

As the season of celebration for the birth of our Savior approaches, many of us are pondering the appropriate way to recognize and thank the staff and faculty of Los Altos Christian School. Whereas gifts of the heart are always special and welcome, the leadership of the Parent Teacher Fellowship would like you to also consider a financial contribution to the Christmas Love Gift Fund. This is a fund that is collected and distributed by the PTF, but with 100% distributed directly to the staff and teachers via a bonus in their paycheck.

Most of you realize that the adults who teach and train your children every day at LACS do it with the heart of a missionary. The financial resources of medium sized Christian schools are always limited, resulting in modest compensation levels that do not compete with the public school systems. LACS is no exception to this situation. In the past, the generous donations of the parents, through the Love Gift Fund, have made a monumental difference to some of our teachers and staff. Every year, we are told of the bald tires that get replaced, the gifts that can now be given, or the reunion that can now be held because of the financial gifts that you, the parents, have delivered to the teachers.

Please contribute to this fund as your heart leads. We will send home a reminder and pink envelope November 30, for your checks marked "PTF Love Gift," dropping it by the school office. **There will also be parents available at Pick-Up on the afternoons of December 1-9, and at Drop-Off on the morning of December 9, to receive your gifts. The gifts will be distributed to the teachers and staff via their normal paycheck.** Please make checks payable to the LACS PTF.

Thank you in advance for your generosity.
