

November 30, 2009

Dear Parents,

This is the time of year that we all give gifts in observance of the Greatest Gift of All that God gave to us, our Savior Jesus Christ. It's also a time that we remember those that are working hard teaching and loving our children at LACS. Please consider making a financial gift to these wonderful educators and administrators. All of the donations will be remitted in their entirety to those that serve our families here at LACS, and they are tax deductible.

Until the 10th of December, the members of the PTF Board will be at Pick Up each afternoon to receive your gifts for the faculty and staff of LACS. You may also drop a token of your appreciation and affection off at the office, or use the addressed pink envelope that is enclosed today's envelope.

Thank you for your support for all the efforts of the PTF to enrich the educational opportunities at LACS, and in advance for your generosity.

Sincerely,
The PTF Leadership
