*Serving One Another in Love*

## Walkathon Coming May 1!

Get ready for another fun-filled, athletic event on the LACS Campus Saturday, May 1, from 9 a.m. until 2 p.m. Our students will be counting laps and earning contributions for Computer Lab Technology, such as new cameras for the students and a better camera to record school events, as well as software to aid all the students in learning.

New this year will be a VIP tent sponsored by church staff for those who complete laps 35, 55, and 85 with comfy chairs where they will be served fruit, popcorn and lemonade. There will also be an adult raffle for a \$300 gift card for Genesis Photography in Mountain View. Every hour on the hour beginning at 10 a.m. cards will get double punched as a little bonus.

As in past years, we will focus on the completion of laps while also having fun! Our dedicated Room Parents will be rounding up volunteers to supply cakes for the annual Parade of Cake Walks that will occur in the middle of the track!

There will be lots of good food and fun booths available as well! Expect our budding artists to be working on drawings for this year's Poster Contest. All K-5<sup>th</sup> Graders will get a poster board tomorrow to complete prior to Wednesday's April 28 submission deadline. Art Teacher Cindi Snedaker will lead the judging panel that will select a winner from each grade.

There will be a party for the grade that has the greatest percent of its class participate and fun raffle prizes given throughout the day.

While we realize that many of our students may have scheduling conflicts on Saturdays,

please feel free to come for part of the time. We measure success of this event by having the greatest number of our community enthusiastically participate, so come on out and join the party!

## Walkathon Sponsorship Guidelines

The Walkathon process encourages sponsors to reward our student's participation while providing financial support for the PTF. We hope that sponsors will include family members and close friends who understand the value of the school to our students and wish to support that understanding with tax deductible donations. We do not expect, nor encourage, the students to go door-to-door soliciting sponsorship or donations.
