

Extended Day Care Program (EDC)

2016 - 2017

The Extended Day Care Program is excited to serve families and students by providing a safe, positive, restful place for children to connect with peers and staff and accomplish academic goals during their time on campus before and after school hours.

Our experienced staff is dedicated to providing outstanding care, academic support, and guidance in character development to students, while creating a calm atmosphere that fosters relationships and recharges our students after their hard work in the classroom.

We facilitate students' movement between after-school extra-curriculars, tutoring, and day care, lead group games and fun activities, assist with homework, and provide daily guidance and care for both regular attendees and drop-in students.

EDC Daily Schedule
