## Questions & Answers

**Q: When will be the last day of school?**

**A:** The CA Shelter-In-Place order is currently in effect until May 3. Public schools will not re-open this academic year. We are closely monitoring the situation, and will provide updates as more information become available. It is very possible that the physical building will not re-open for the remainder of this academic year. We are planning to continue online- instruction until May 29. The week of June 1 will be used to wrap up this school year.

**Q: Will students still receive academic awards and Lion Pride Awards this year?**

**A:** Yes, monthly nominations will still be made for students to receive Lion Pride Awards. These awards will be mailed to students. There will be **no** academic awards given out during the 3<sup>rd</sup> trimester/4<sup>th</sup> quarter.

**Q: Will students still receive a yearbook and report card?**

**A:** Yes, arrangements will be made for parents to return textbooks and to pick up report cards yearbooks, Art portfolios, etc. during the week of June 1<sup>st</sup>. We are hoping that we will be able to congregate one more time to provide closure to students, families and staff; however we do not know when or if this will be a possibility. We will keep you posted.

**Q: What about graduation and end-of-year ceremonies?**

**A:** There will, for now (subject to change), be no graduation and award ceremonies during the week of June 1. We will plan graduation ceremonies for later in June/July, once the Shelter-In-Place order has been lifted.

**Q: What about IOWA State testing?**

**A:** IOWA state testing has been cancelled for this academic year. We are gaining some instruction time due to cancelled field trips, the Spring Musical and IOWA testing week. This provides our teachers with extra time to deliver academic, online instruction.

**Q: What will happen with regards to LAD conferences?**

**A:** LAD testing will be completed via Zoom. Assessments may be limited due to the nature of the online assessment platform. We are currently working to set up a plan for this testing to take place. LAD parent conferences (Elementary-High school) are currently scheduled for May 28-29.

Testing and IEP goals will be discussed during these conferences. LAD students will not have Zoom classes on May 28-May 29.

**Q: What if I find printing and scanning of student work to be overwhelming? Elementary students ONLY** **A:**

Please contact Mrs. Hibbert ([Lizette.Hibbert@lacs.com](mailto:Lizette.Hibbert@lacs.com)) directly if this is the case. We could arrange for a “pick-up” of printed worksheets and “drop-off” of completed materials at LACS.

Please email your prayer requests to Mrs. Robinson and Mrs. Hibbert at the following email address. These requests will be held in confidence, and be prayed over regularly. Please use the following email address to submit your prayer requests: [prayer@lacscloud.com](mailto:prayer@lacscloud.com)
