

# VIRTUAL RECESS

EVERY THURSDAY 2:00 P.M.-4:00 P.M.

## Virtual Recess with Minecraft

It is exciting to see our LACS students play together on our LACS Minecraft server. Students started to build their own playgrounds with the guidance of the moderators. The 2nd-3rd graders built a roller coaster and the 4th-5th graders built a fun obstacle course! You can always join! Email Sejin Lim at [sejin.lim@lacs.com](mailto:sejin.lim@lacs.com) to ask for the instructions to set up your child's account.

## Virtual Art Recess with Mrs. Kleinberg

Students have fun with Mrs. Kleinberg during the Art recess.

Last week, Mrs. Kleinberg taught the students how to make Origami tulips for Mother's Day.

## Razzle Dazzle Recess with Mr. Burman

When you join Razzle Dazzle Virtual Recess, you can chat with your friends and play fun games with Mr. Burman.
