LOS ALTOS CHRISTIAN HIGH SCHOOL

GRADES 9 -11

VISION STATEMENT

The 21st-century vision for Los Altos Christian Schools (LACS) is to be a Christ-centered community, which develops graduates to encompass values of leadership, academics, character, and service.

LACS empowers students to be leaders in their own lives by emphasizing personal responsibility, self-advocacy, and effective interpersonal skills.

MISSION STATEMENT

LACS equips students by providing a challenging academic environment through caring and rigorous instruction. The curriculum encourages innovative and critical thinking, strong communication skills, and effective skill to real-life application. LACS actively promotes knowledge and understanding of God's love through His Son, Jesus Christ, which will transform all aspects of the student's life and character. Social-emotional learning is incorporated in all areas of student life. LACS nurtures a community of diverse learners where students, parents, and faculty support each other and positively influence the world around them.

NON-DISCRIMINATION STATEMENT

Los Altos Christian Schools (LACS) do not discriminate in their educational programs, activities or employment practices on the basis of race, color, national and ethnic origin, or age.

STATEMENT OF FAITH

The Bible, God's inspired and inerrant Word, is of final authority in faith and life.
2 Timothy 3:16, 2 Peter 1:21

Based on this Word:

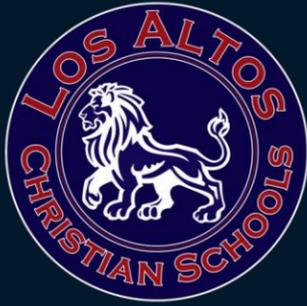

- We believe in one God, existing eternally in three persons. Genesis 1:1, Matthew 28:19, John 10:30
- We believe that Jesus Christ was begotten of the Holy Spirit and born of the virgin Mary and is true God and true man. Isaiah 7:14, Matthew 1:23, Luke 1:35
- We believe man was created in God's image, but sinned, incurring spiritual death, which has passed upon all the race. 1 Corinthians 11:7, Romans 8:29, Genesis 1:26, Romans 12:1-2
- We believe that Christ died for our sins, according to the Scriptures, and that all who trust Him are justified on the grounds of His shed blood. John 3:16-19, John 5:24, Romans 3:23, Ephesians 2:8-10, Titus 3:5
- We believe that the personal, pre-millennial return of Christ is our "blessed hope." Revelation 22:12, Hebrews 9:28, 1 Thessalonians 4:17

CORE VALUES

- LEADERSHIP** LACS encourages students to be "leaders in their own lives" by emphasizing personal responsibility, self-advocacy, and effective interpersonal skills
- ACADEMICS** LACS provides students with a challenging academic environment through a curriculum that encourages critical thinking, strong communication skills, and effective skills application
- CHARACTER** LACS integrates a thorough knowledge of God's love through His Son, Jesus Christ, into all aspects of the school's life
- SERVICE** LACS nurtures a community of students, parents, and staff who seek to actively support each other and positively influence the world around them

GOALS FOR GRADUATES

- **COMMITTED CHRISTIANS** who understand that Salvation only comes through the Lord Jesus Christ, demonstrate how to use the Bible as a guidebook for life, and share this saving faith with others
- **EFFECTIVE COMMUNICATORS** who read, write, speak, listen, and respond appropriately in differing situations
- **CRITICAL THINKERS** who apply problem-solving strategies to real-life situations
- **QUALITY PRODUCERS** who develop their God-given talents and abilities by showing responsibility, organization, and innovation as they pursue their goals
- **COMMUNITY PARTICIPANTS** who contribute positively and productively to their community, both locally and globally

LACS considers instructional practices under the pedagogical umbrella of student-centered learning, including Harkness discussions project-based learning; mastery-based understanding of assignments and assessments; and other collaborative learning activities in which the student is driving much learning.

Los Altos Christian Middle School's mission is to equip students with language-based learning disabilities as well as students with no assessed learning needs. Each period of the school day is to empower them for a lifetime of learning and enrich their educational and social potential. At LACS, every effort is made to help students become independent, self-advocating learners within an inclusive and supportive environment that respects and meets students exactly where they are in the learning process and in life. Los Altos

Christian High School's daily goal is to provide students with the most appropriate and individualized program possible while emphasizing the development of language and learning/study skills within a highly structured environment. The high school offers customized programs beginning with basic language functions, progressing sequentially through higher level language and study skills. The core of LACS's curriculum consists of small class sizes in language arts, leveled mathematics, science, history, reading, communications, and a wide variety of unique electives.

WELCOME LETTER

Dear Prospective Parents,

It is our pleasure to welcome you to Los Altos Christian Schools (LACS), a school community which hosts excellent educational programs in preschool, kindergarten, elementary, middle school, and 9th and 10th grades. Since our beginnings in 1981, our schools have been dedicated to student centered learning focused on building leadership, growing academic skills, developing character, and instilling the value of service. At LACS, we believe that with a positive partnership between the home and the Christian school, our students will flourish in all areas of life and learning.

Los Altos Christian Schools is situated on a beautiful campus surrounded by rolling hills, mature trees, and a scenic creek. This serene setting is a haven of peace in the Bay Area to provide rigorous yet unhurried academic programs paired with unique co-curricular opportunities inspiring student growth and lifelong learning. At LACS, your child will receive an outstanding education that includes hard work and discipline, but also allows time for extra help from teachers, prayer, and play. Students who experience our positive balance leave school at the end of the day excited to return the next morning.

Each administrator, teacher, and staff member at LACS is carefully screened and selected for both their professional credentials and their Christian character. Our teachers understand that instructional needs for individual students differ. Classes are small and involve multiple modalities of teaching and learning providing for learning differences while also encouraging greater challenge for advanced learning where needed. While we believe there are several time-tested methods of instruction, our teachers integrate technology, collaborative learning, and a hands-on approach into their daily lessons. Our planned instructional approach involves specific planning by year, by unit, by week, and by day. Administration and faculty work closely to ensure a vertical planning approach that enhances continuity and growth from grade level to grade level and class to class.

With accreditation through both the Western Association of Schools and Colleges and the Association of Christian Schools International, families may have confidence in Los Altos Christian Schools' vision, mission, and goals.

I look forward to greeting you in person soon. Once you meet our administrative and teaching team, tour our campus, and see our students in action, I believe you will discern the LACS difference for yourself. Please contact Lizette Hibbert at Lizette.Hibbert@lacs.com to learn more about our admissions process.

Sincerely

LACS Administrative Team

CHRISTIAN PHILOSOPHY OF EDUCATION & CAMPUS CULTURE

CHRISTIAN PHILOSOPHY OF EDUCATION

A Christian school is an extension of the Christian home in training students for time and eternity in a Christian environment and LACS seeks to partner with both church and unchurched families to fulfill the Great Commission.

The Christian philosophy of education has its foundation in the revelation of God in nature, in the Holy Scripture of the Old and New Testaments, and in the person of Jesus Christ, who is Truth. The Christian standard is the Word of God, and is absolute because its Author is an absolute God. Because of this absolute authority, the Christian educator is committed to God's Word, the Bible, as the source for the principles of education. With this foremost in our minds, we there for are dedicated to the purpose of preparing students academically, emotionally, and spiritually to be truly effective citizens of God and country.

To that end, the following educational objectives result from this philosophy:

For each Students' Spiritual Development

1. To lead students into a personal, saving relationship with Christ as Lord and Savior
2. To develop a desire in each student to know and to do the will of God
3. To teach the students consistent daily Christian living and encourage service towards others
4. To provide for the students an excellent role model in the person of their teacher
5. To develop in the student a Biblical sense of right and wrong
6. To foster self-discipline in the student based on respect for and reverence toward God and all authority
7. To build in the students a God-consciousness and consistent Christian philosophy of life

For each Students' Academic Standards

1. To promote high academic standards and help students gain a thorough comprehension and command of the fundamentals processes used in communicating with others
2. To teach and encourage the formation of good study habits
3. To teach the students how to do research and to use the scientific method
4. To develop creative and critical thinking and the proper use of Biblical criteria for evaluation
5. To promote good citizenship through developing an understanding and appreciation of our Christian and American heritage of freedom and human dignity
6. To impart knowledge of the world and current affairs in all fields, and relate them to God's plan for men

LACS HIGH SCHOOL PROGRAMS & CURRICULUM GUIDE

LACS HIGH SCHOOL PROGRAMS

Los Altos Christian High School offers three academic tracks for our students which are the Remedial Track, Core Track, and the Preparatory Track. Each track builds upon language acquisition skills necessary for high school students and prepares them for college and beyond. We carefully assess each student and design individually-tailored programs to address the student's strengths and weaknesses. Find details about each track below.

Remedial Track	Core Track	Preparatory Track
Customized track for students who need more structural support in written production and/or oral expression, in conjunction with remedial skills.	Provides direct instruction to develop students' reading, writing, and oral skills through small group language classes. There is an emphasis on a structured and sequential delivery of content and skill development.	Places special emphasis on developing study skills and higher-level reading comprehension and writing skills in larger classes with increased focus on independence.

ACADEMIC PLANNING & COLLEGE COUNSELING

Los Altos Christian Schools recognizes the importance of providing academic planning and college counseling to our high school students. During this process, we keep individual student needs in mind, and use these unique differences to customize college and academic planning.

The Academic Planning and College Counseling program begins in the ninth grade. Students and their parents have the opportunity to meet with our college counsellor during spring, of their ninth grade year.

During their tenth grade year, our academic counselor schedules a one-to-one meeting with every student and their parents for academic planning and advising for college admissions, including SAT test planning. Students in the 10th grade take the PSAT. The PSAT scores are analyzed and interpreted to provide students and their families with a baseline for preparing for the SATs.

Students and their families continue to work with our college counsellor in one-on-one settings throughout their junior and senior years.

Our Academic Planning and College Counseling program includes Individualized counseling, informational presentations, student workshops on essay writing and applications, and guest speakers on topics such as financial aid, in partnership with other schools.

Our counselor work closely with families to find colleges and universities that are best aligned with a student's academic and extracurricular interests, career choice, and financial aid requirements. The primary goal is to help students find an Institution that will best fit their individual needs.
